

Sometimes, when you start something new, it is nice to find out some information before you begin. This book will show and tell you a little bit about Ladybird Class.

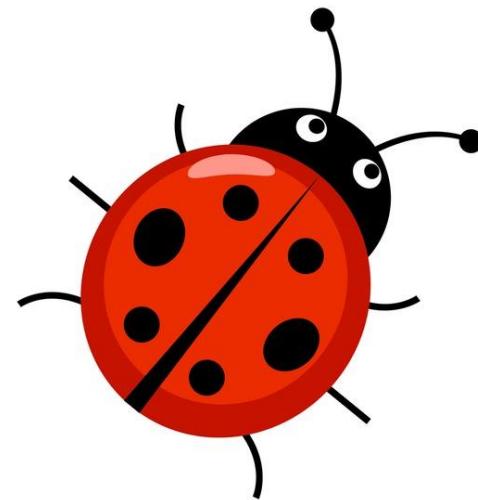

You have been given this book for a special reason. We are so pleased that you are joining Silchester School, and we can't wait to get to know you. We're sure that we will have lots of fun learning and playing together.

Welcome to

Ladybird Class

Your Teachers

These are your new teachers.
They are called Mrs Dowling and Mrs Heeks.
They are really kind, and they can't wait to
meet you!

Lunchtimes

We eat our lunch every day in the school hall.

We have our own
tables, and a
special dinner
lady (called Mrs
Hawkins) who
helps us to collect
our lunch and cut
up our food.

After lunch, we
play in our
garden, and
when we're big
enough, we
can go to the
playground.

Your Classroom

This is your new classroom. There are different spaces for you to do art, reading, writing, maths, dressing up and lots of cosy corners for you to play with your friends.

Your Cloakroom

You will have your own peg to hang your coat on.

We have our own set of sinks and toilets for you to use.

Your Garden

We have our own garden to explore in...
